RE: University of Sydney Education Building

We write to express our appreciation to yourself and your colleagues at Crest Air Conditioning following the recent successful completion of the University of Sydney Education Building.

Ichor Constructions have noted the quality of workmanship, the standard of finishes and the work methods employed by Crest Air Conditioning in completing this project.

We believe that the success of this project was due to the efforts and cooperative approach taken by all the project team, including Crest Air Conditioning as the Mechanical Services Contractor.

We thank you again for your support and cooperation during the University of Sydney Education Building project and look forward to continuing our working relationship on future projects.

Yours faithfully
